

Expectations for Rangelands West Workshop March 2006

1. We will have a general understanding of the current status of the Western Rangelands Partnership initiative.
2. We will understand the new site structure and how to add to it.
3. Governance issues of 1) Purpose, 2) Membership, 3) Leadership Structure, and 4) Operational Structure will be outlined and agreed upon by the participants.
4. An outline of a governance ballot will be prepared by the participants. This ballot will be sent to all participants after the conference.
5. We will establish a sub-group that is willing to work on an eXtension proposal.
6. We will recognize and celebrate the good work we've done over the past 5 years.
