

No. Rom/Agri/2021

March 22, 2021

The Embassy of India in Rome presents its compliments to the Embassy and Permanent Representation of Mongolia to the Rome-based Agencies.

2. Government of India expresses its support to the proposal of Government of Mongolia to declare 2026 as International Year of Rangeland and Pastoralists (IYRP) which was approved by the Committee on Agriculture of FAO in October 2020.
3. Pastoralism is a source of livelihood for millions of people and a sustainable food production system that safeguards ecosystem and biodiversities. This will increase global awareness of the importance of the rangelands and pastoralism for global food security and ecosystem services. It is an excellent initiative to help achieve Sustainable Development Goals and contribute to current UN Decade of Family Farming.
4. India supports the proposal of Mongolia. The Embassy of India in Rome avails of this opportunity to renew to the Embassy and Permanent Representation of Mongolia to the Rome-based Agencies the assurances of its highest consideration.
