Your Excellency,

**REQUEST FOR MEMBERSHIP IN THE ALLIANCE FOR THE  
INTERNATIONAL YEAR OF RANGELANDS AND PASTORALISTS**

I write to respectfully express the interest of Meat Naturally Africa in becoming an official member of the Alliance for the International Year of Rangelands and Pastoralists (IYRP). As an organization deeply committed to strengthening sustainable livestock production, regenerative rangeland management, and pastoralist livelihoods, we strongly align with the objectives of the IYRP. Our work focuses on enhancing ecological stewardship, improving market access for livestock producers, and promoting policies and practices that support resilient pastoral systems and rural economies (see [www.meatnaturallyafrica.com](http://www.meatnaturallyafrica.com) for more details.)

We believe that membership in the Alliance would provide an important platform for collaboration, knowledge exchange, and joint advocacy to elevate the global recognition of rangelands and pastoralists. We are particularly interested in contributing practical field experience, community-based models, and policy engagement approaches that demonstrate the value of restoring communal rangelands for delivering food security, biodiversity conservation, and climate mitigation and adaptation resilience.

We would be honoured to formally join the Alliance and support the Government of Mongolia and fellow partners in advancing the goals of the International Year of Rangelands and Pastoralists.

Thank you for your leadership in championing this important global initiative. We look forward to the opportunity to collaborate.

Yours sincerely,

Sarah Fazee  
CEO, Meat Naturally Africa NPC
