Dear Dr. Maryam Niamir-Fuller,

пытей:

At the outset kindly accept our gratitude and thanks for making tireless effort for the resolution, "International Year of Rangelands and Pastoralists 2026" which was adopted by the UN General Assembly on 15 March 2022.

The Livestock Farmers Welfare Centre (LFWC) is a non-profit organization for implementing schemes for socio-economic development of pastoral peoples. The main objectives of LFWC are to protect the native breeds of livestock from extinction and to implement development initiatives to ensure sustainable and resilient livelihoods and higher income for pastoral communities leading to self-sufficient rural economy.

We the Members of LFWC and other Pastoralists of our area extend our full support and cooperation during the implementation of International Year of Rangelands and Pastoralists 2026.

With Regards,

Yours sincerely,

Dr. Maryam Niamir-Fuller, Vice Chair of International Support Group for the IYRP, ROME
